DO IT YOURSELF

T3 Systems can be installed yourself by simply following our videos and detailed instruction manuals. No tools are required, and all our kits use modular profile's. The experience is easy and effective, its as simple as:

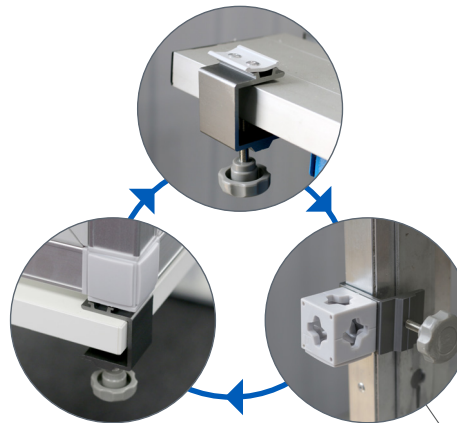

TWIST LOCK & **PROTECT**

DESK SCREEN GUARDS

We have a wide range of desk guards which can be freestanding, clamped to the desk or even permanently installed. All our Desk guards are designed to be installed without impeding existing desk clutter. As well as our extensive range we have a fully customized option, these include varying heights, curved features, and graphic branding.

MULTIPLE CLAMPING OPTIONS

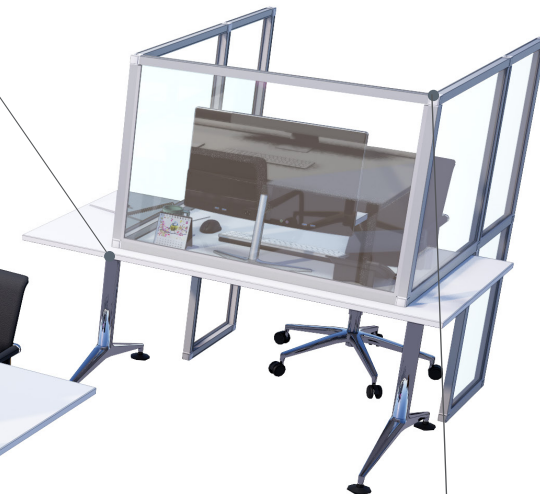

INFO

Feet can raise the desk guards to accommodate existing clutter.

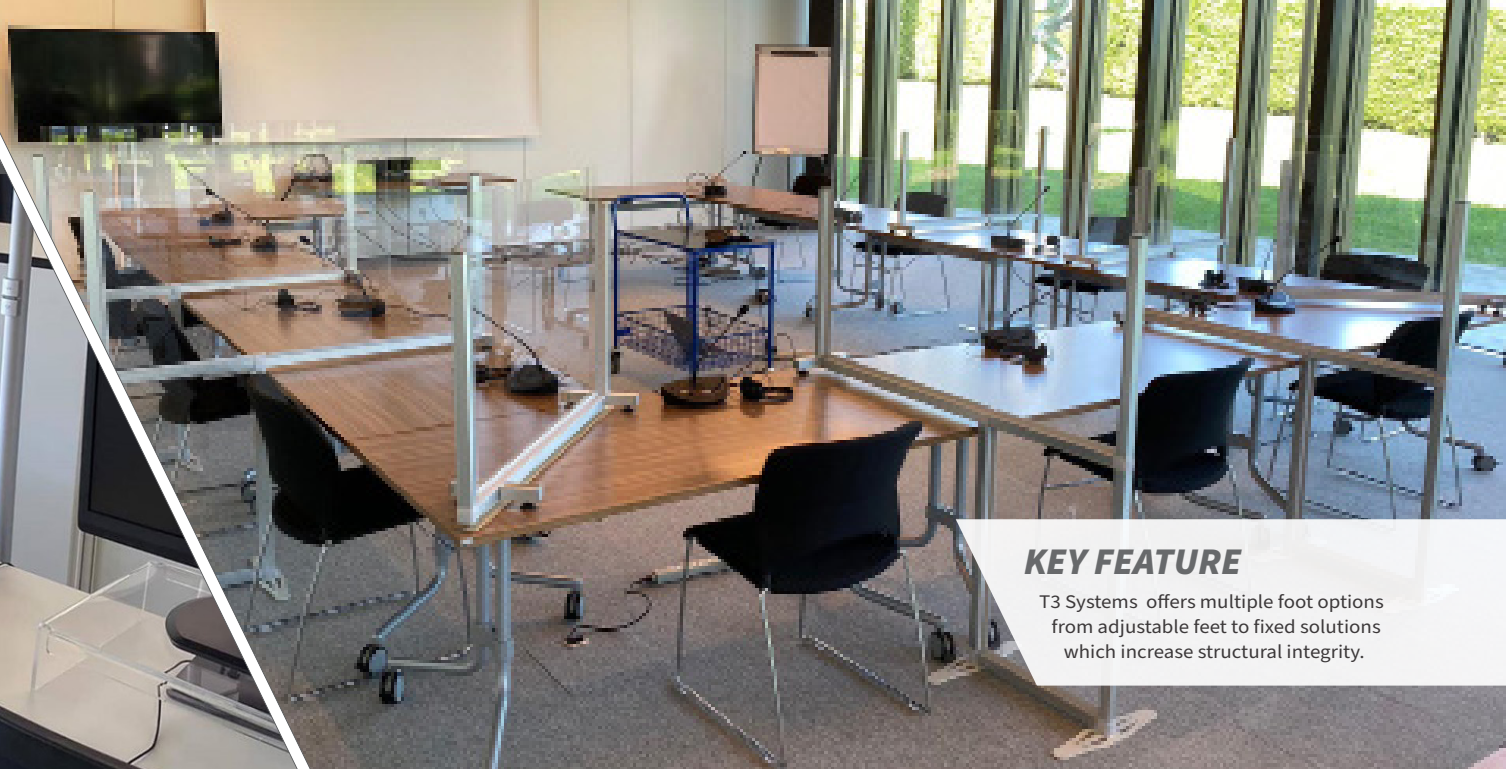

ADJUSTABLE FEET
FOR STABILITY

FINISHED CORNERS

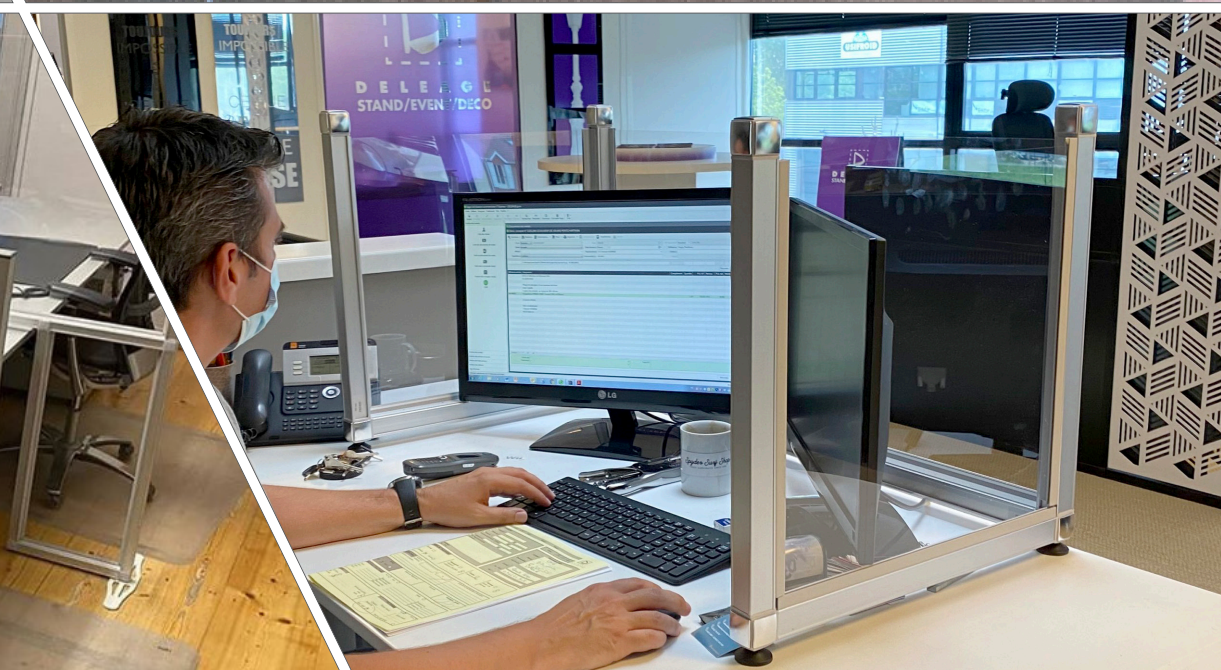

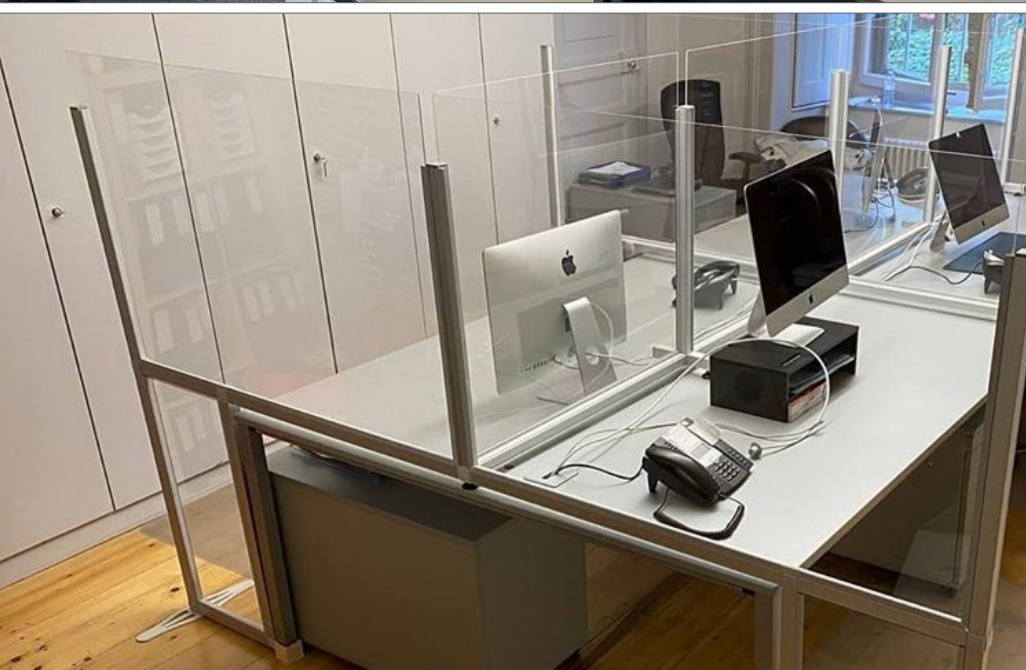

DESK SCREEN GUARDS

KEY FEATURE

T3 Systems offers multiple foot options from adjustable feet to fixed solutions which increase structural integrity.

RECEPTION

Reception and foyer spaces have the highest footfall and therefore require strict distancing rules. We have a range of products available from moveable walls to sanitiser stands and queue management. We also offer custom cleaning stations which includes thermometers and QR track and trace.

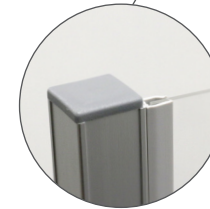

CURVED TUBE

ROLLABLE FEET

FINISHED EDGES

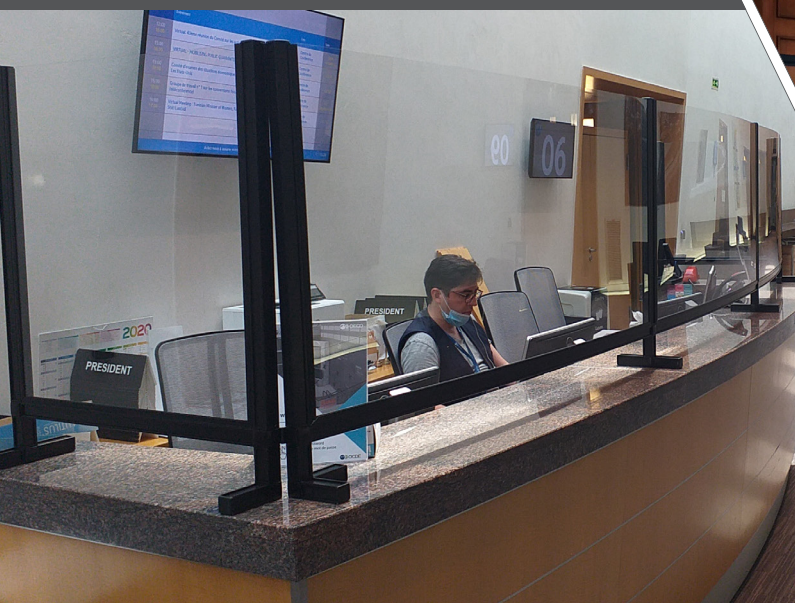

INFO

Stepped sections are used when some interaction takes place.

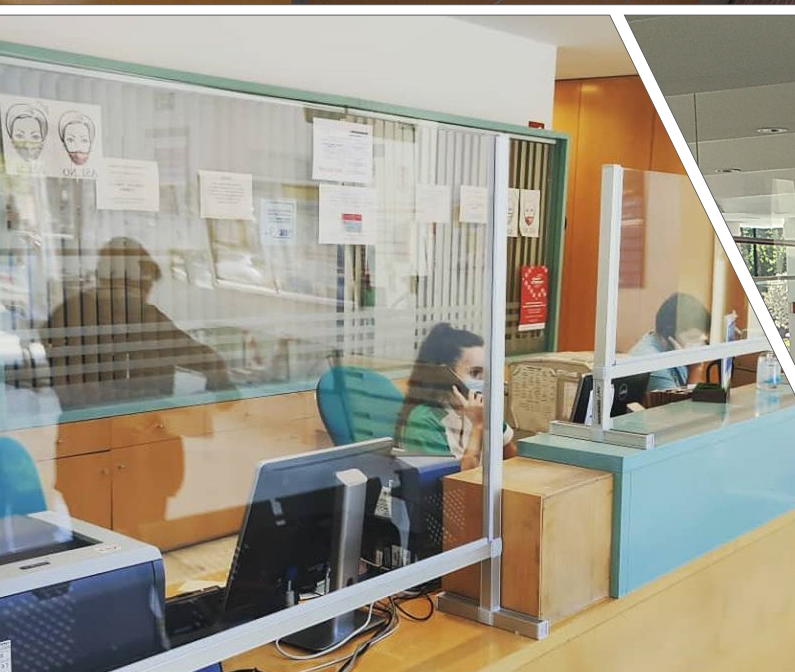

RECEPTION

KEY FEATURE

T3 Safeguard units can be made to fit all types of environments. Structures can be easily modified to create better visibility or to meet tight budgets.

STORAGE

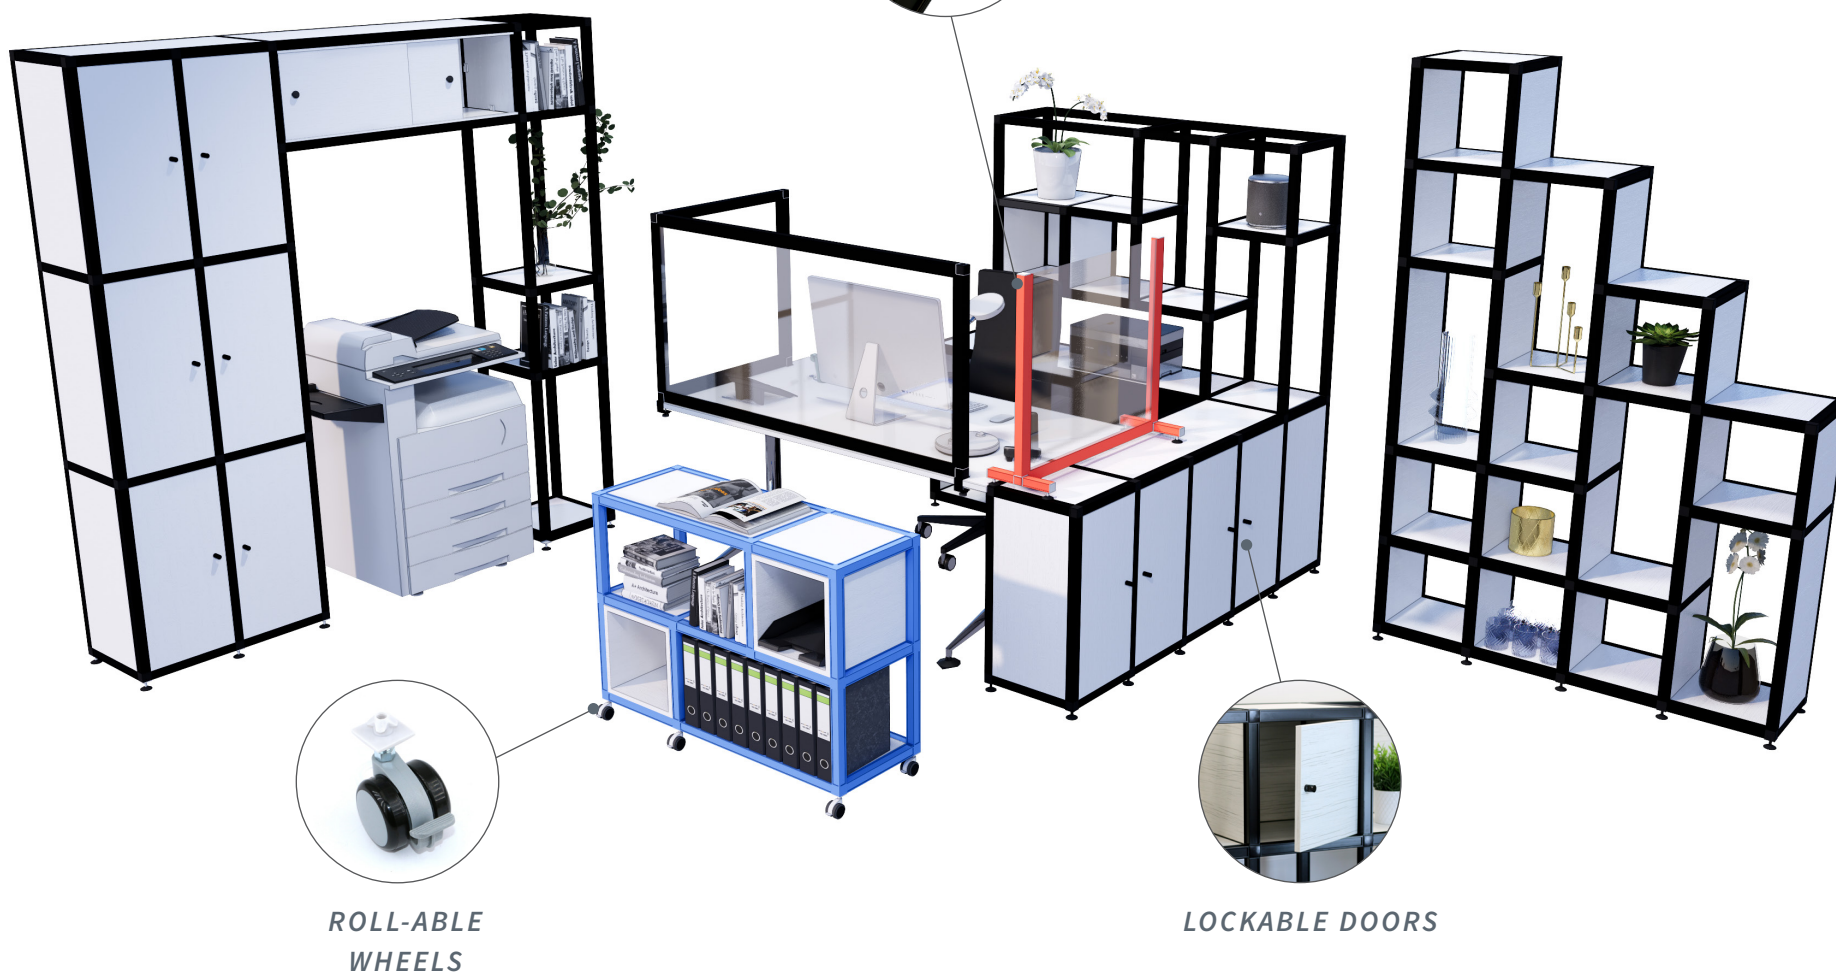

Social distancing products can be doubled up as usable storage units for employee's personal desk space. Divide up communal spaces with a range of options. See T3Module for more detail.

COLORED TUBE

INFO

Twist-Lock (CHTL) tubes can be used as support for multiple scenarios from structural support (both vertically and horizontally) to personal accessories.

ROLL-ABLE WHEELS

LOCKABLE DOORS

STORAGE

KEY FEATURE

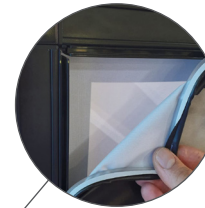

Colours and signage can be easily integrated into T3 Systems to indicate clear social distancing requirements.

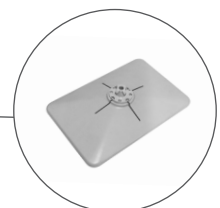

BARRIERS & DIVIDERS

T3 Office solutions are easy to wipe down and disinfect. They can also be broken down easily into carry bags making it incredibly easy to transport, giving your office even more flexibility, no matter what the future has in store.

INTERCHANGEABLE PANELS

AD HOC ACCESSORIES

RIGID FOOT OPTIONS

INFO

T3 Systems offers the unique opportunity to colour tubes to match interior styling and branding. Get in touch to find out more.

BARRIERS & DIVIDERS

KEY FEATURE

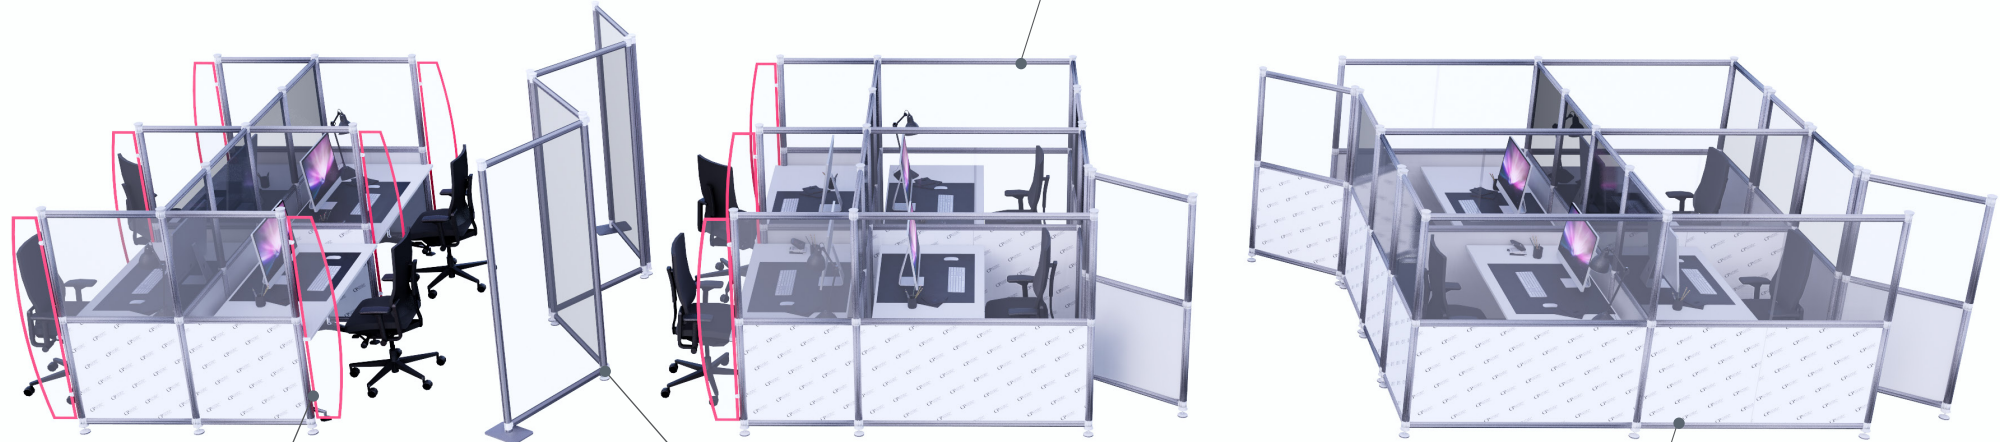

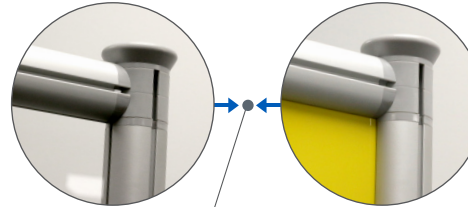

Partitions can be mounted with textiles that are easy to transport and easy to clean. With GFS profile, textiles can be mounted internally and seamlessly.

CUBICLES

Cubicles provide even more safety and security for your employees. Provide fully or semi enclosed personal cubicles. These can also be used to make private meeting rooms within existing offices. We can even include sound proofing and audio-visual accessories like projectors and monitors.

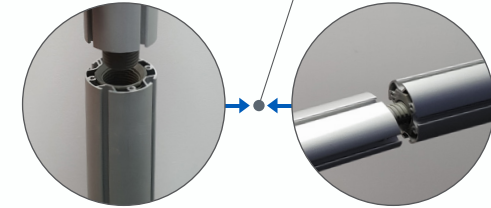

INTERCHANGEABLE RIGID PANELS

OPTIONAL AD HOC CLIPS

HINGE OPTIONS

OPTIONAL TUBE JOINING

INFO

Combining transparent surfaces with branded elements can not only save cost but also create effective signage and branding opportunities.

CUBICLES

KEY FEATURE

T3 Systems can be easily integrated around pre existing furniture. Our profiles are small in volume and structurally viable for virtually any shape.

VARIOUS

A wide range of custom units are available from sanitizer stands, kiosks, green screens, and cleaning stations. All retaining modularity and simplicity of use.
For more solutions please visit our website at
WWW.T3SYSTEMS.COM

KEY FEATURE

Integrated shelving solutions accompanied with sliding doors can introduce effective storage capabilities ideal for modular design.

CUSTOMIZE

Customization of T3 Systems is virtually limitless. With the ability to attach multiple graphics types and change tube color, designs are incredibly easy to adapt and brand. Meeting the demands of customers could not be easier. Get in touch now to find out more.

CANT DECIDE?

Why not choose your own colour using the RAL K5 fan deck which contains all of the 213 RAL Classics. For more information please visit our website at: WWW.T3SYSTEMS.COM
